Dear Sultan

I'm so sorry for that but I have a problem.

I was invited yesterday night by ( former) President Shimon Peres to have a breakfast with him in the official guesthouse in St. Petersburg.

By 2330 yesterday night- having no answer from you, my wife gave him a positive answer. And we went asleep.

It's 4am now and I found your email.

I can not cancel it by now. The President is 93 years old. And waiting.

I hope you'll open this email in the morning before leaving to the Kempinski and I apologize in advance for any inconvenience I've caused.

May I propose that we will meet later Friday afternoon probably immediately after President Putin speech in some place in or close to the compound where the Forum takes place?

Please respond.

Sorry once again.

Yours

Ehud Barak
